

INVESTOR RELATIONS

The Board of Directors' primary function is to oversee and monitor management performance on behalf of the shareholders to ensure that the long-term interests of shareholders and investors are secured and protected. The Company's Board of Directors is committed to uphold and respect the rights of the shareholders recognized under the law, the Articles of Incorporation and By-Laws.

The Company's approach to Investor Relations is to keep the shareholders, investors and other stakeholders informed on relevant and material data pertaining to the Company. Communication with the shareholders and investors are done through disclosures filed with the Securities and Exchange Commission and the Philippine Stock Exchange, the audited financial statements filed with the Bureau of Internal Revenue and the holding of annual Stockholders' Meeting which gives the stockholders the opportunity not only to raise questions to management but also to elect the members of the Board of Directors who will be overseeing and monitoring the performance of the management.
